PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Linda Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 240A at Dickens, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 240A to Dickens, Texas, as that community's first aural broadcast transmission service. Dickens is an incorporated city with a population in excess of 330 people. Dickens has its own mayor, Bob Porter, its own post office, its own volunteer fire department, its own city hall and a number of local churches.
